STATES

OF

AMERICA

AND

THE

WEST

INDIES

AND

THE

ISLANDS

OF

THE

TREASURY DEPARTMENT,

January 9, 1824.

The Secretary of the Treasury has the honor to transmit, herewith, for the information of the House of Representatives, an estimate of the appropriations proposed for the service of the year 1824. The appropriations detailed in the estimate, amount to \$ 9,022,446 16

Viz: Civil list	-	-	\$ 1,208,373 66
Miscellaneous expenses	-	-	346,251 84
Intercourse with foreign na-	-	-	
tions	-	-	250,500 00
Military establishment, includ-	-	-	
ing fortifications, ordnance,	-	-	
Indian department, revolu-	-	-	
tionary and military pen-	-	-	
sions, and arrearages prior	-	-	
to the 1st January, 1817	-	-	4,743,393 15
Naval establishment, including	-	-	
the marine corps	-	-	2,473,927 51

The funds from which the appropriations for the year 1824 may be discharged, are the following, viz:

1st. The sum of six hundred thousand dollars, annually reserved, by the act of the 4th August, 1790, out of the duties and customs, for the expenses of Government.

2d. The surplus which may remain of the customs and internal duties, and direct taxes, after satisfying the sums for which they were pledged.

3d. Any other unappropriated money which may be in the Treasury during the year 1824.

All which is respectfully submitted.

The Hon. the SPEAKER

of the House of Representatives.

Estimate of the cost of the proposed project

January 1951

The following is a summary of the estimated costs of the proposed project, based on the information available at the time of the estimate. The costs are estimated in dollars and cents, and are subject to change as more information becomes available.

Total estimated cost: \$10,000.00

The estimated costs are based on the following assumptions: (1) The project will be completed by the end of the year; (2) The project will be completed on time; (3) The project will be completed within the estimated budget.

The estimated costs are based on the following assumptions: (1) The project will be completed by the end of the year; (2) The project will be completed on time; (3) The project will be completed within the estimated budget.

The estimated costs are based on the following assumptions: (1) The project will be completed by the end of the year; (2) The project will be completed on time; (3) The project will be completed within the estimated budget.

The estimated costs are based on the following assumptions: (1) The project will be completed by the end of the year; (2) The project will be completed on time; (3) The project will be completed within the estimated budget.

The estimated costs are based on the following assumptions: (1) The project will be completed by the end of the year; (2) The project will be completed on time; (3) The project will be completed within the estimated budget.

ESTIMATE of an Appropriation for the year 1824.

CIVIL LIST.

*By the act of the 7th of May, 1822, \$ 22,700 were appropriated for erecting piers to shelter vessels from ice in Delaware Bay. But, from examinations made by direction of the President, the sum is found to be totally inadequate; and unless further appropriations be made for the object, it is presumed it will not be applied.
